#### WHY HAVE WE BEEN SO QUIET?

Well due to the boys' relative inactivity (and by that I do not mean they have been having a long holiday - quite the reverse) over the last 2 years we have not had our usual influx of new members. This in turn has meant that our funds were reduced to zero. There were no newsletters issued in September or December because of the economics of it and because of the fact that there was nothing to report. Rather a case of no use in sending out nothing and paying for it!! So things have been quiet here but all that's about to change.

This newsletter is not up to its usual printed style but that is because we needed to get it out within a couple of days so I am sure you will excuse us on that score.

From a few letters I have received it seems that some things have gone astray in the post - I've had this problem with the Post Office at Stockport on my personal mail side too so if you have not received anything you are expecting from me please drop me a line with details and I will sort it out for you from this end.

Can I just take a moment here to say that all of the **BJH** crew wish to extend our sincere thanks for your continued support during our quiet period and for the fact that so few of you have written in to complain about not hearing from us newsletter wise.

It really warms our hearts to know that you support us so faithfully even when very little is going on. It is appreciated and I'm going to stop going on about it now before we all burst into tears or something!! Anyway a big thanks **T H A N K S!!!**
